

## HHCAHPS Partnership Program

Idaho Association for Home Care

### We're specialists.

As specialists in satisfaction management programs, Deyta offers a proven solution for HHCAHPS. Our comprehensive reporting provides an operational focus that enables agencies to drive quality improvement efforts more efficiently.

### We make financial planning for HHCAHPS easy.

We guarantee CMS compliance for a flat annual fee. This removes any variability from financial planning and we assume the risk.

As an IAHC member, you will receive 10% off of the total annual fee.

### Learn more.

For pricing information and to learn more about how our business centric mindfulness and operational approach to reporting sets us apart from other vendors, contact:
